Message from the Principal

Dear Parents/Carers,

How many times do we wonder what our child will become when they grow up. What career will they choose? How will they get there? Year 6 students had the opportunity yesterday to experience University life as they visited Charles Sturt University as a part of the ‘Future Moves’ initiative which is designed to increase the aspirations of young people to attend university. Our students participated in lessons given by University lecturers, were introduced to games and activities and enjoyed lunch provided by the University. They then put on their caps and gowns to see what it would be like to graduate. They all looked amazing as you can see from the photos.

Mrs Linda Meagher, who has been teaching Year 1 has decided to take some leave. Whilst Mrs Meagher is away, Miss Emma Starr will be taking her class. Miss Starr has been teaching the children for a couple of days now and parents/carers of children within this class will soon receive a letter of introduction. Please make Miss Starr welcome and, as always, if you have any questions or concerns, I encourage you to speak to your child’s teacher.

Preparations are well under way for the school swimming carnival which will take place next Monday. Students are encouraged to wear their house colours but items such as crepe paper, coloured zinc and coloured hair spray are not permitted at the pool.

Primary and Infant’s Assemblies recommence this week. Primary Assembly will be held on Thursday commencing at 2.15 with Infant’s assembly commencing at 10.40 on Friday. We look forward to seeing you there.

Remember: You’ve got to do your own growing, no matter how tall your grandfather was.

Regards

Mrs Eileen Day
Principal
I am SAFE
I am RESPONSIBLE
I am RESPECTFUL
I am COOPERATIVE

Tissues
Due to the constant student demand on tissues being used in the classroom, we are asking for your assistance in helping us with the supply of some. If you could possibly provide a box of tissues for classroom use the school would be most appreciative.

Tissues can be sent either to your child’s class or to the school office.

Canteen
Parents, if your child suffers with a food allergy could you please let the Canteen know.

Thank you
Leah and Karen

Dubbo West Public - a PBL School

Future Moves
Charles Sturt University
Welcome Mrs Hall

Mrs Hall is our new teacher in 2 Lime and the Assistant Principal of Infants.
I have asked Mrs Hall some questions about herself.

What years have you taught?
I've taught every class from K to Year 6. I've also taught RFF Library and I was a kitchen specialist.

Have you liked teaching all of the classes?
I have loved teaching every class that I've ever had. 2 Lime are special to me because they are my first class at Dubbo West Public School.

What other schools have you taught at?
I have taught at two schools in Sydney and three schools in Dubbo.

Do you have a dog?
I do and his name is Casper. He is a white Maltese terrier.

Do you have a family?
I have a beautiful family. Mr Hall and I have 11 children and grandchild number six will be born by the end of the week.
